

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory actually makes industrial sweeping tasks much easier to accomplish. The handy lift truck mounted broom is designed for use with either dry or wet material clean ups. It can squeegee water and push snow easily. This accessory is usually utilized in order to clean trash from warehouses, construction sites, docks, parking lots and practically everywhere it is considered necessary. The lift truck sweeper is a low maintenance accessory that utilizes quick-tite blade products to easily attach to the forklift.
